**Re: Community Project Funding Request for Keystone Boulevard Extension
Project**

Dear Chair DeLauro and Ranking Member Granger:

I am requesting 7,000,000 in funding for Keystone Boulevard Extension Project in fiscal year 2023 through the Transportation Housing and Urban Development Subcommittee and the Highways and Infrastructure Programs.

The entity to receive funding for this project is Borough of Pottstown, located at 100 E. High Street, Pottstown, PA 19464.

The funding would be used for engineering and design costs for the Keystone Boulevard Project, which will provide street access to properties that do not currently have it. For the sites that do have access to existing Keystone Boulevard, extending the road would improve their accessibility by providing access to the recently reconstructed Stowe interchange on U.S. 422. Additionally, the project would provide more convenient access to westbound U.S. 422 for parts of Pottstown, including areas along College Drive and Industrial Highway.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Madeleine Dean
Member of Congress
