Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Germantown Pike and Sumneytown Pike Corridor Improvement Plan in fiscal year 2025. The entity to receive funding for this project is the County of Montgomery, located at the Montgomery County Courthouse, PO Box 311, Norristown, PA, 19404-0311.

The funding would be used to build on the vision to take a deeper dive into the feasibility of funding and constructing these proposed multimodal corridor improvements on two county owned roads: Germantown Pike and Sumneytown Pike. The affected communities support multi-faceted improvements as they increase safety, enhance mobility, and develop alternative transportation modes. The project is an appropriate use of taxpayer funds because this effort is a deeper dive to assess the specific transportation improvements needed along both Germantown and Sumneytown Pikes. The purpose is to develop a preferred alternative, determine its feasibility, identify potential environmental impacts, and highlight the estimated costs associated with a list of practical, phased multimodal improvements to both corridors that includes public outreach. The study will be used to promote the selection of these projects into the Metropolitan Planning Organization's (DVRPC) Transportation Improvement Plan.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Madeleine Dean
Member of Congress
